SPONSORSHIP OPPORTUNITIES

SEPTEMBER 19-20, 2026

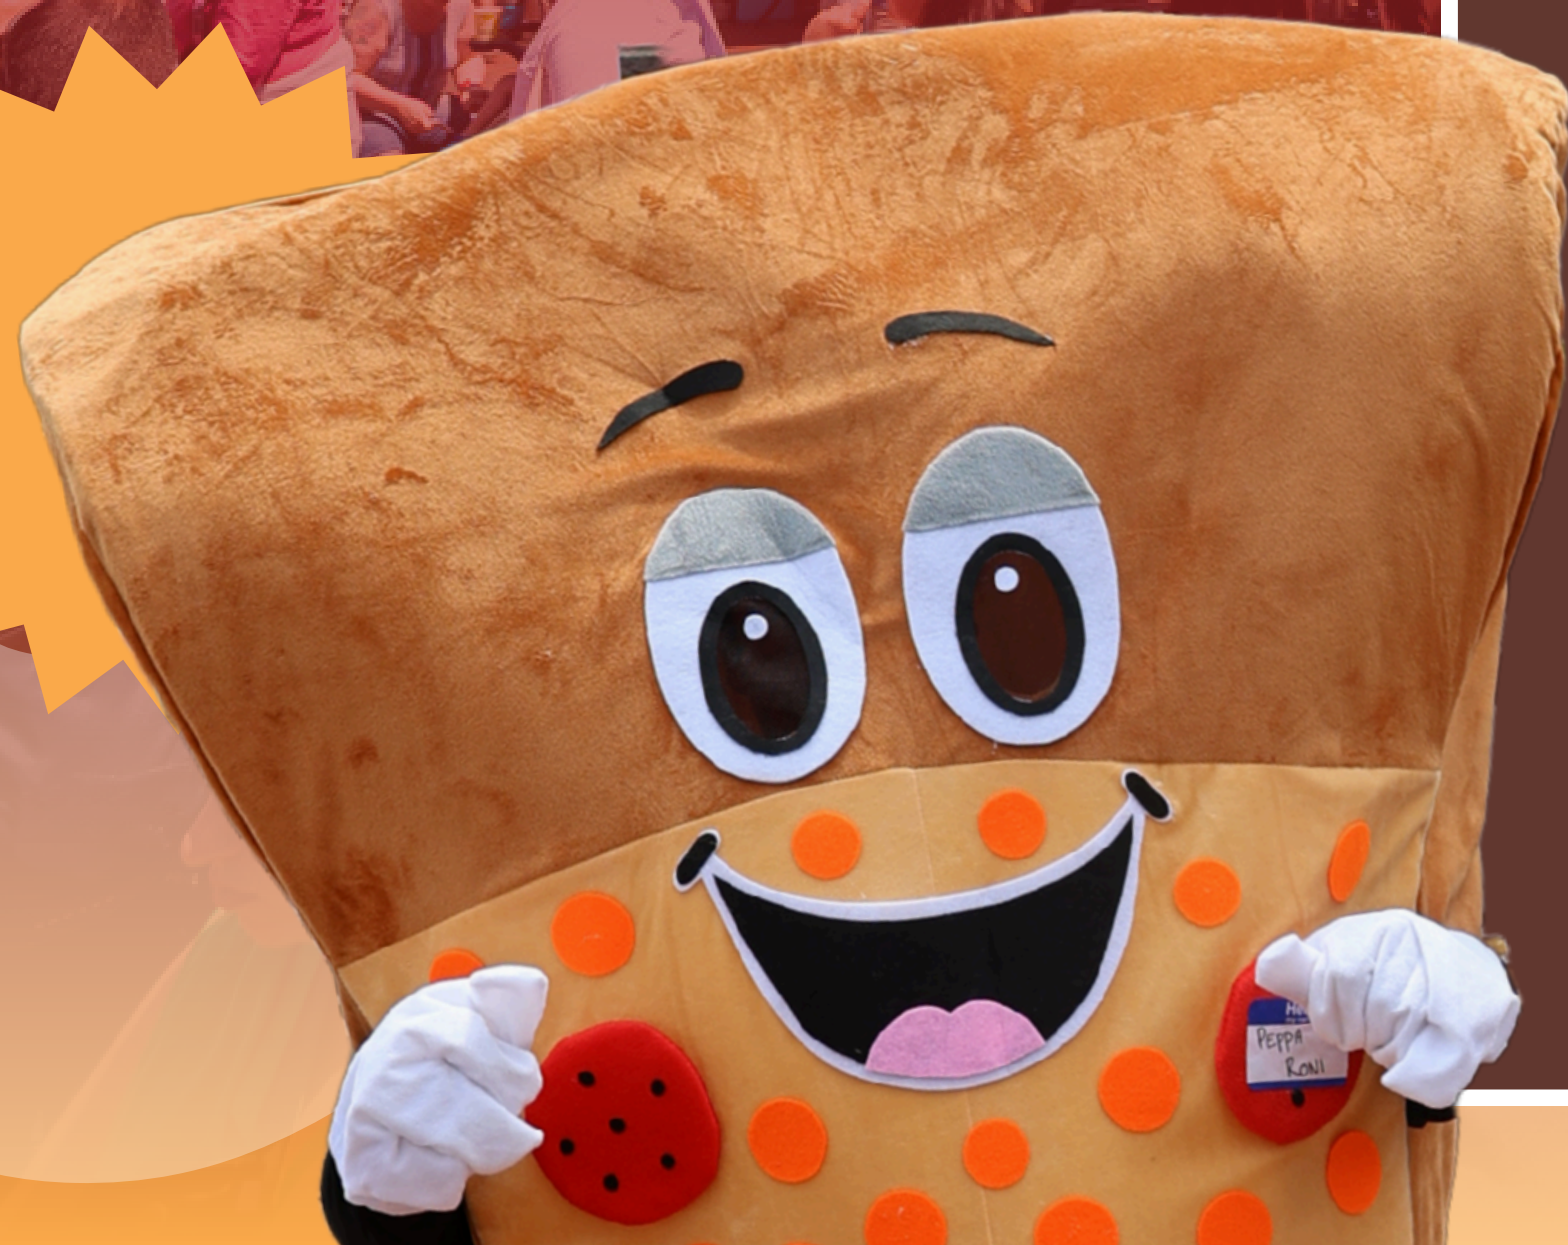

ABOUT THE EVENT

We create a one-of-a-kind, two-day outdoor experience featuring live music, entertainment, exhibitions, demonstrations, giveaways, treats, and of course—Pizza!

Inspired by the outdoor piazzas of Napoli, our pizza festival transports guests from their local streets to a mouth-watering, authentically Italian destination without the cost of airfare. With dozens of pizzerias, both locally sourced and featuring participation from Italian partners, all pizzas are made fresh to order in beautiful, custom-crafted ovens. This year, we are proud to have Fiero Group as our official oven sponsor, with every pizza vendor using their stunning, custom-built pizza ovens to deliver the freshest, best-tasting pizza each city has to offer.

Now in its seventh year, the Boston Pizza Festival is back, attracting over 20,000 attendees annually. Our events aim to connect communities through camaraderie, great food, and libations, bringing together families and friends to share in an unparalleled pizza-eating experience. We strive to create streamlined, enjoyable guest experiences that surprise, entice, and leave people excited to return year after year.

EVENT SUMMARY

(2017-2025 BOSTON PIZZA FESTIVAL SUMMARY)

Since inception the Boston Pizza Festival has grown into an instant summer classic in Boston. With thousands in attendance the event has grown into the biggest pizza festival in the United States.

Featuring Boston's best pizzerias and some of the oldest pizzerias from Naples, Italy we have been able to offer an experience that is unrivaled by other food events. Some notable pizzerias from Naples are Starita a Materdei and Lombardi 1892 both pizzerias over 100 years old and consistently ranked best pizzerias in Naples.

The event includes live food and entertainment experiences throughout the day, including live-pizza making demos from famous pizzaiolos, acrobat shows from World Champion pizza spinning champions and live music. Each year one of the many participating pizzerias gets voted by the attendees as Best Pizza of the Boston Pizza Festival.
